This book explores an area that has been somewhat overlooked in the literature to date - the current status and future trends of English education in Oman. It offers a variety of theoretical and methodological approaches to the subject and explores areas of English education in Oman that have, until now, been little investigated. It explores these issues from a variety of perspectives: the professionalization of English teachers in the country; the implementation of novel teaching methodologies, curricula, and assessment approaches, into what are, in many ways, still very traditional education settings; the integration of learner identity into English

language instruction; country- and culture-specific concerns with conducting research with Omani participants; the strategic demands of building stronger links between education and workforce needs; and developing learner autonomy and motivation. Originally published in 1980. This practical guide to the teaching of writing is set in the context of the functional use of language for communication. It examines what communicating in writing involves and gives detailed procedures for teaching different types of writing from beginner to advanced level, together with illustrated suggestions for visual aids. This provides up-to-date ideas and advice for teachers and trainee teachers of English as a Foreign Language. Lessons are designed to consolidate language and act as a springboard for further speaking and writing tasks. The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. Lam ter slachtbank is afkomstig uit de bundel M n liefje, m n duifje, die nog zeventien andere spannende korte verhalen over de duistere kant van het menselijke karakter bevat. Een vrouw serveert een opmerkelijk gerecht aan een stel nietsvermoedende agenten. Roald Dahl, de alom geprezen schrijver van Sjakie en de chocoladefabriek, De GVR, Matilda en vele andere klassiekers voor kinderen, schreef ook bundels met korte verhalen voor volwassenen. Veel van deze betoverend angstaanjagende verhalen zijn verfilmd, en laten tot op de dag van vandaag iedere lezer huiveren. Dahl kan met recht de grootmeester van het korte verhaal worden genoemd. Oxford English for Academic Purposes offers a specialist course covering listening, speaking and reading in key areas of academic life such as lectures, presentations and textbooks. The course is consistent with levels A2 to C1 of the Common European Frame of Reference for the teaching of foreign languages. Adventures builds students' confidence through the use of clear grammar presentations, varied practice exercises, and guided skills work. The highly motivating topics have been carefully chosen to appeal to teenagers. The clear

syllabus offers an analytical approach to grammar, as well as extensive and varied practice. Strong emphasis is placed on skills development and study skills. There is a systematic approach to vocabulary building. The variety of challenging and enjoyable activities motivate students to participate fully in class. The optional 'World of English' sections exploit functional and everyday language, cross-cultural topics, and authentic pop songs. This edited book brings together contributions from different educational contexts across the Middle East and North Africa (MENA) in order to explore how L2 English writing is assessed. Across seven MENA countries, the book covers aspects of practice including: task design and curriculum alignment, test (re)development, rubric design, the subjective decision making that underpins assessing students' writing and feedback provision, learner performance and how research methods help shed light on initiatives to improve student writing. In such coverage, chapter authors provide concrete evidence of how assessment practice is governed by their unique context, yet also influenced by international standards, trends and resources. This book will be of interest to second language teachers, assessors and programme developers as well as test designers and evaluators. Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative. True to Life is a five level course designed specifically for adult learners. `Ik heet August, en ik ga niet beschrijven hoe ik eruitzie. Wat je ook denkt, ik weet bijna zeker dat het erger is. Auggie Pullman is geboren met een gezichtsafwijking, en ook na veel operaties ziet hij er nog heel ongewoon uit. Hij doet zijn best niet op te vallen, maar mensen schrikken als ze

hem zien, en ze staren of kijken weg. Als hij tien is gaat hij voor het eerst naar een gewone school. Auggie is bang dat hij niet geaccepteerd zal worden, en hij krijgt gelijk. Zijn klasgenoten negeren hem en sommigen beginnen hem te pesten. Maar er is één meisje dat zich niet door Auggies uiterlijk laat afschrikken... Wonder is het eerste boek van R.J. Palacio en het is meteen een enorm succes. In Amerika was Wonder hét boek van het jaar en begonnen lezers campagnes tegen pesten. Het boek verschijnt in meer dan vijftig landen. `Wonder heeft de kracht om het hart te raken en gedachten te veranderen. The Guardian `Een prachtig en grappig verhaal dat je soms ook tot tranen roert. The Wall Street Journal `Een zeldzaam pareltje, prachtig geschreven en met personages die zich nestelen in je geheugen en in je hart.
